## Quarterly Chronicles

### July Hog Hunt

With the mercury climbing to 95 degrees it was time for a summer hog hunt. Michael scored on this hog late in the evening when the hog came out into the field to feed. Michael made a 200 yard shot after a short stalk and dropped the hog in its tracks.

### August Axis Hunt

James made his annual trip to Leakey, Texas for a free range axis hunt. After two days of archery hunting and several close calls James decided to take his rifle to the blind with him on the last day of the hunt. Fifteen minutes before it was time to pack up and head home this axis doe appeared at 60 yards.

### Colorado Elk Hunt

James made his first trip to Colorado to chase elk near Crest Stone and Wolf Creek Pass, Colorado. The hunting was hard and the bulls were just not bugling. After 5 days of hunting James saw lots of elk but was just not able to get one within bow range. Although James did not score on an animal he did get to enjoy some beautiful scenery and time a field with friends.

### This is what some viewers are saying about our show:

I just wanted to say that I really enjoy watching BNA. Seeing the entire family involved in what you all do is great. Good job!! Tommy Smith

Good Evening Mr and Mrs Ferguson!!!

My name is Rhino (Matt) and I am a US / Canadian Pro Staff Archer from Wisconsin. I just finished watching one of your shows. Great show!! I really love the fact that you involve family to the outdoors. My daughter loves to join me as well. My wife just loves to cook up wild game which is fine with me!! Rhino, WI
